

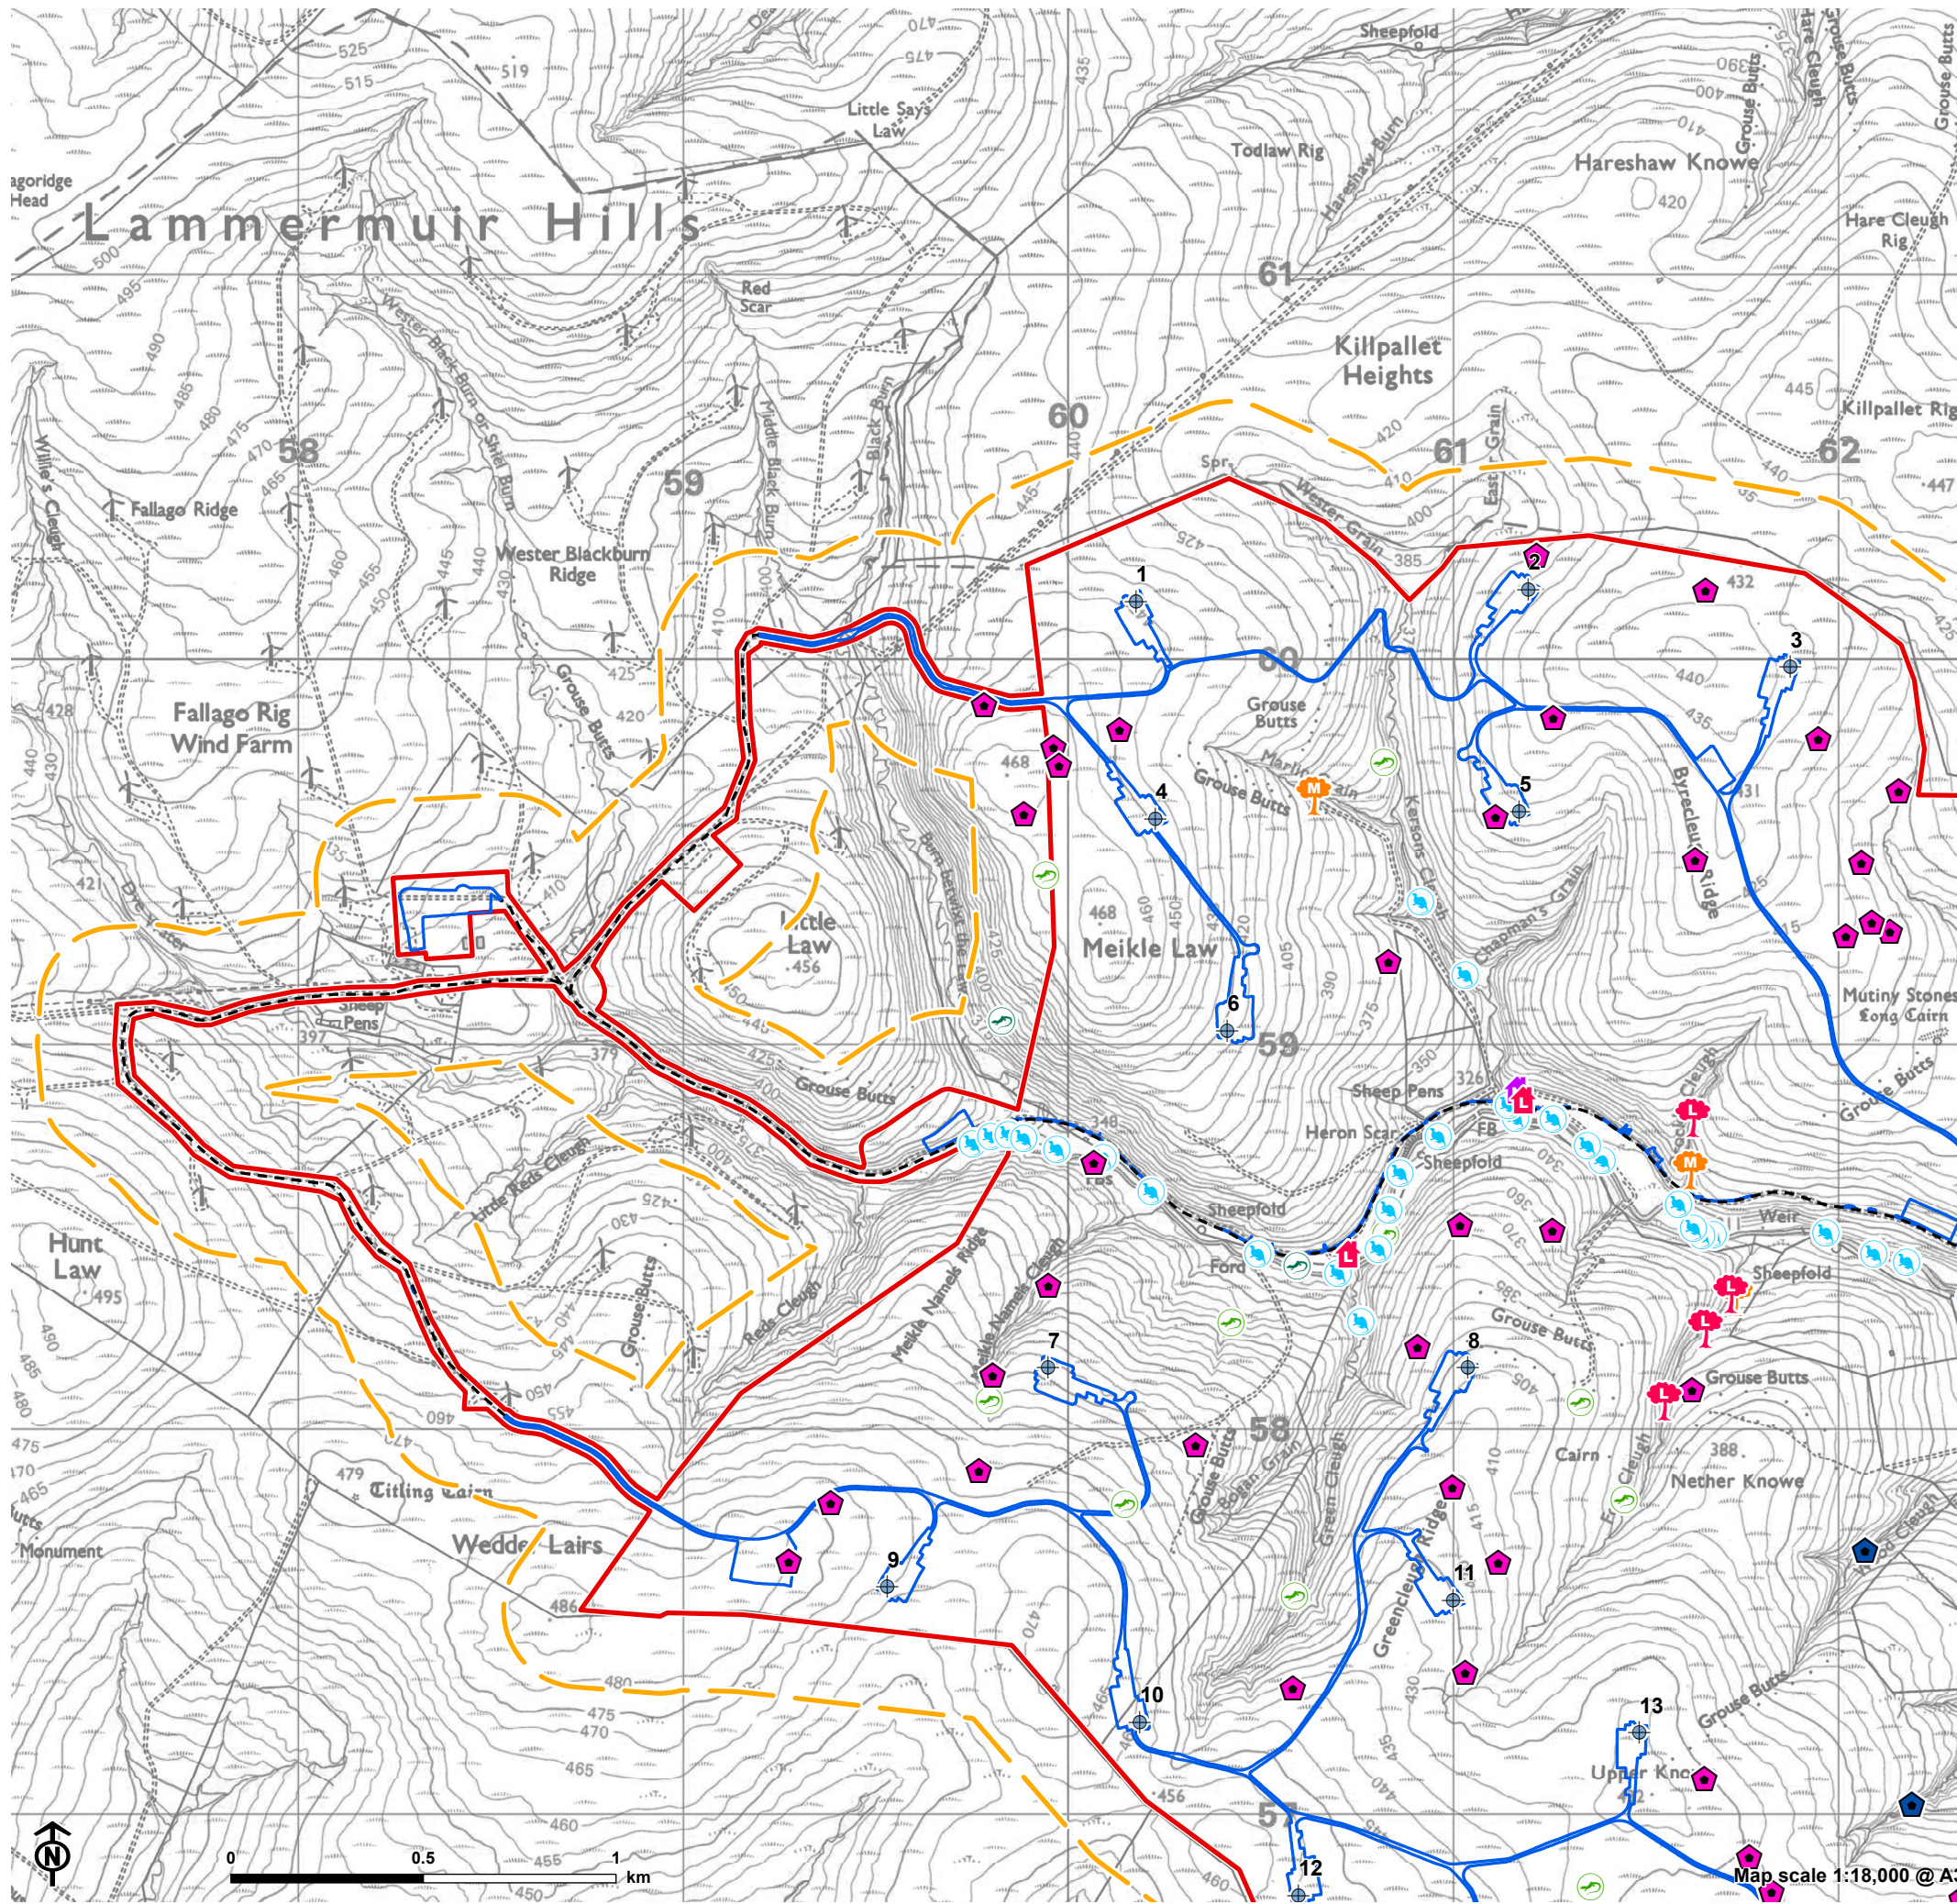

Figure 6.6a: Protected Species Plan

- Turbine
- Site Boundary
- Infrastructure footprint
- Existing track
- Protected species survey**
- Protected Species Field Survey Area
- Low Bat Roost Potential structure
- Negligible Bat Roost Potential structure
- Moderate Bat Roost Potential tree
- Low Bat Roost Potential tree
- Mountain hare
- Stoat
- Otter spraint
- Adder
- Common lizard

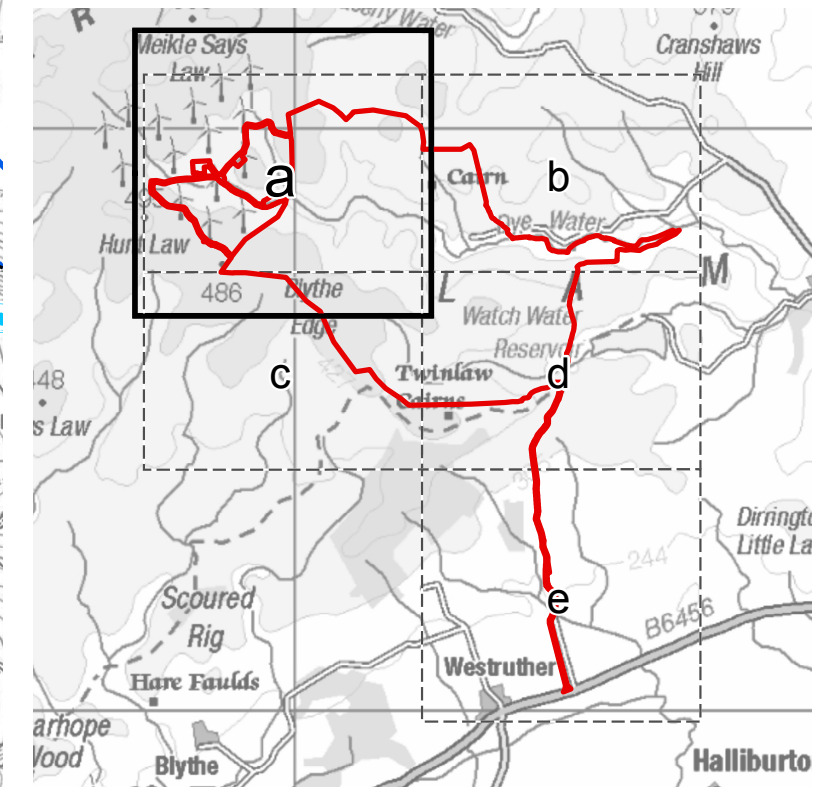

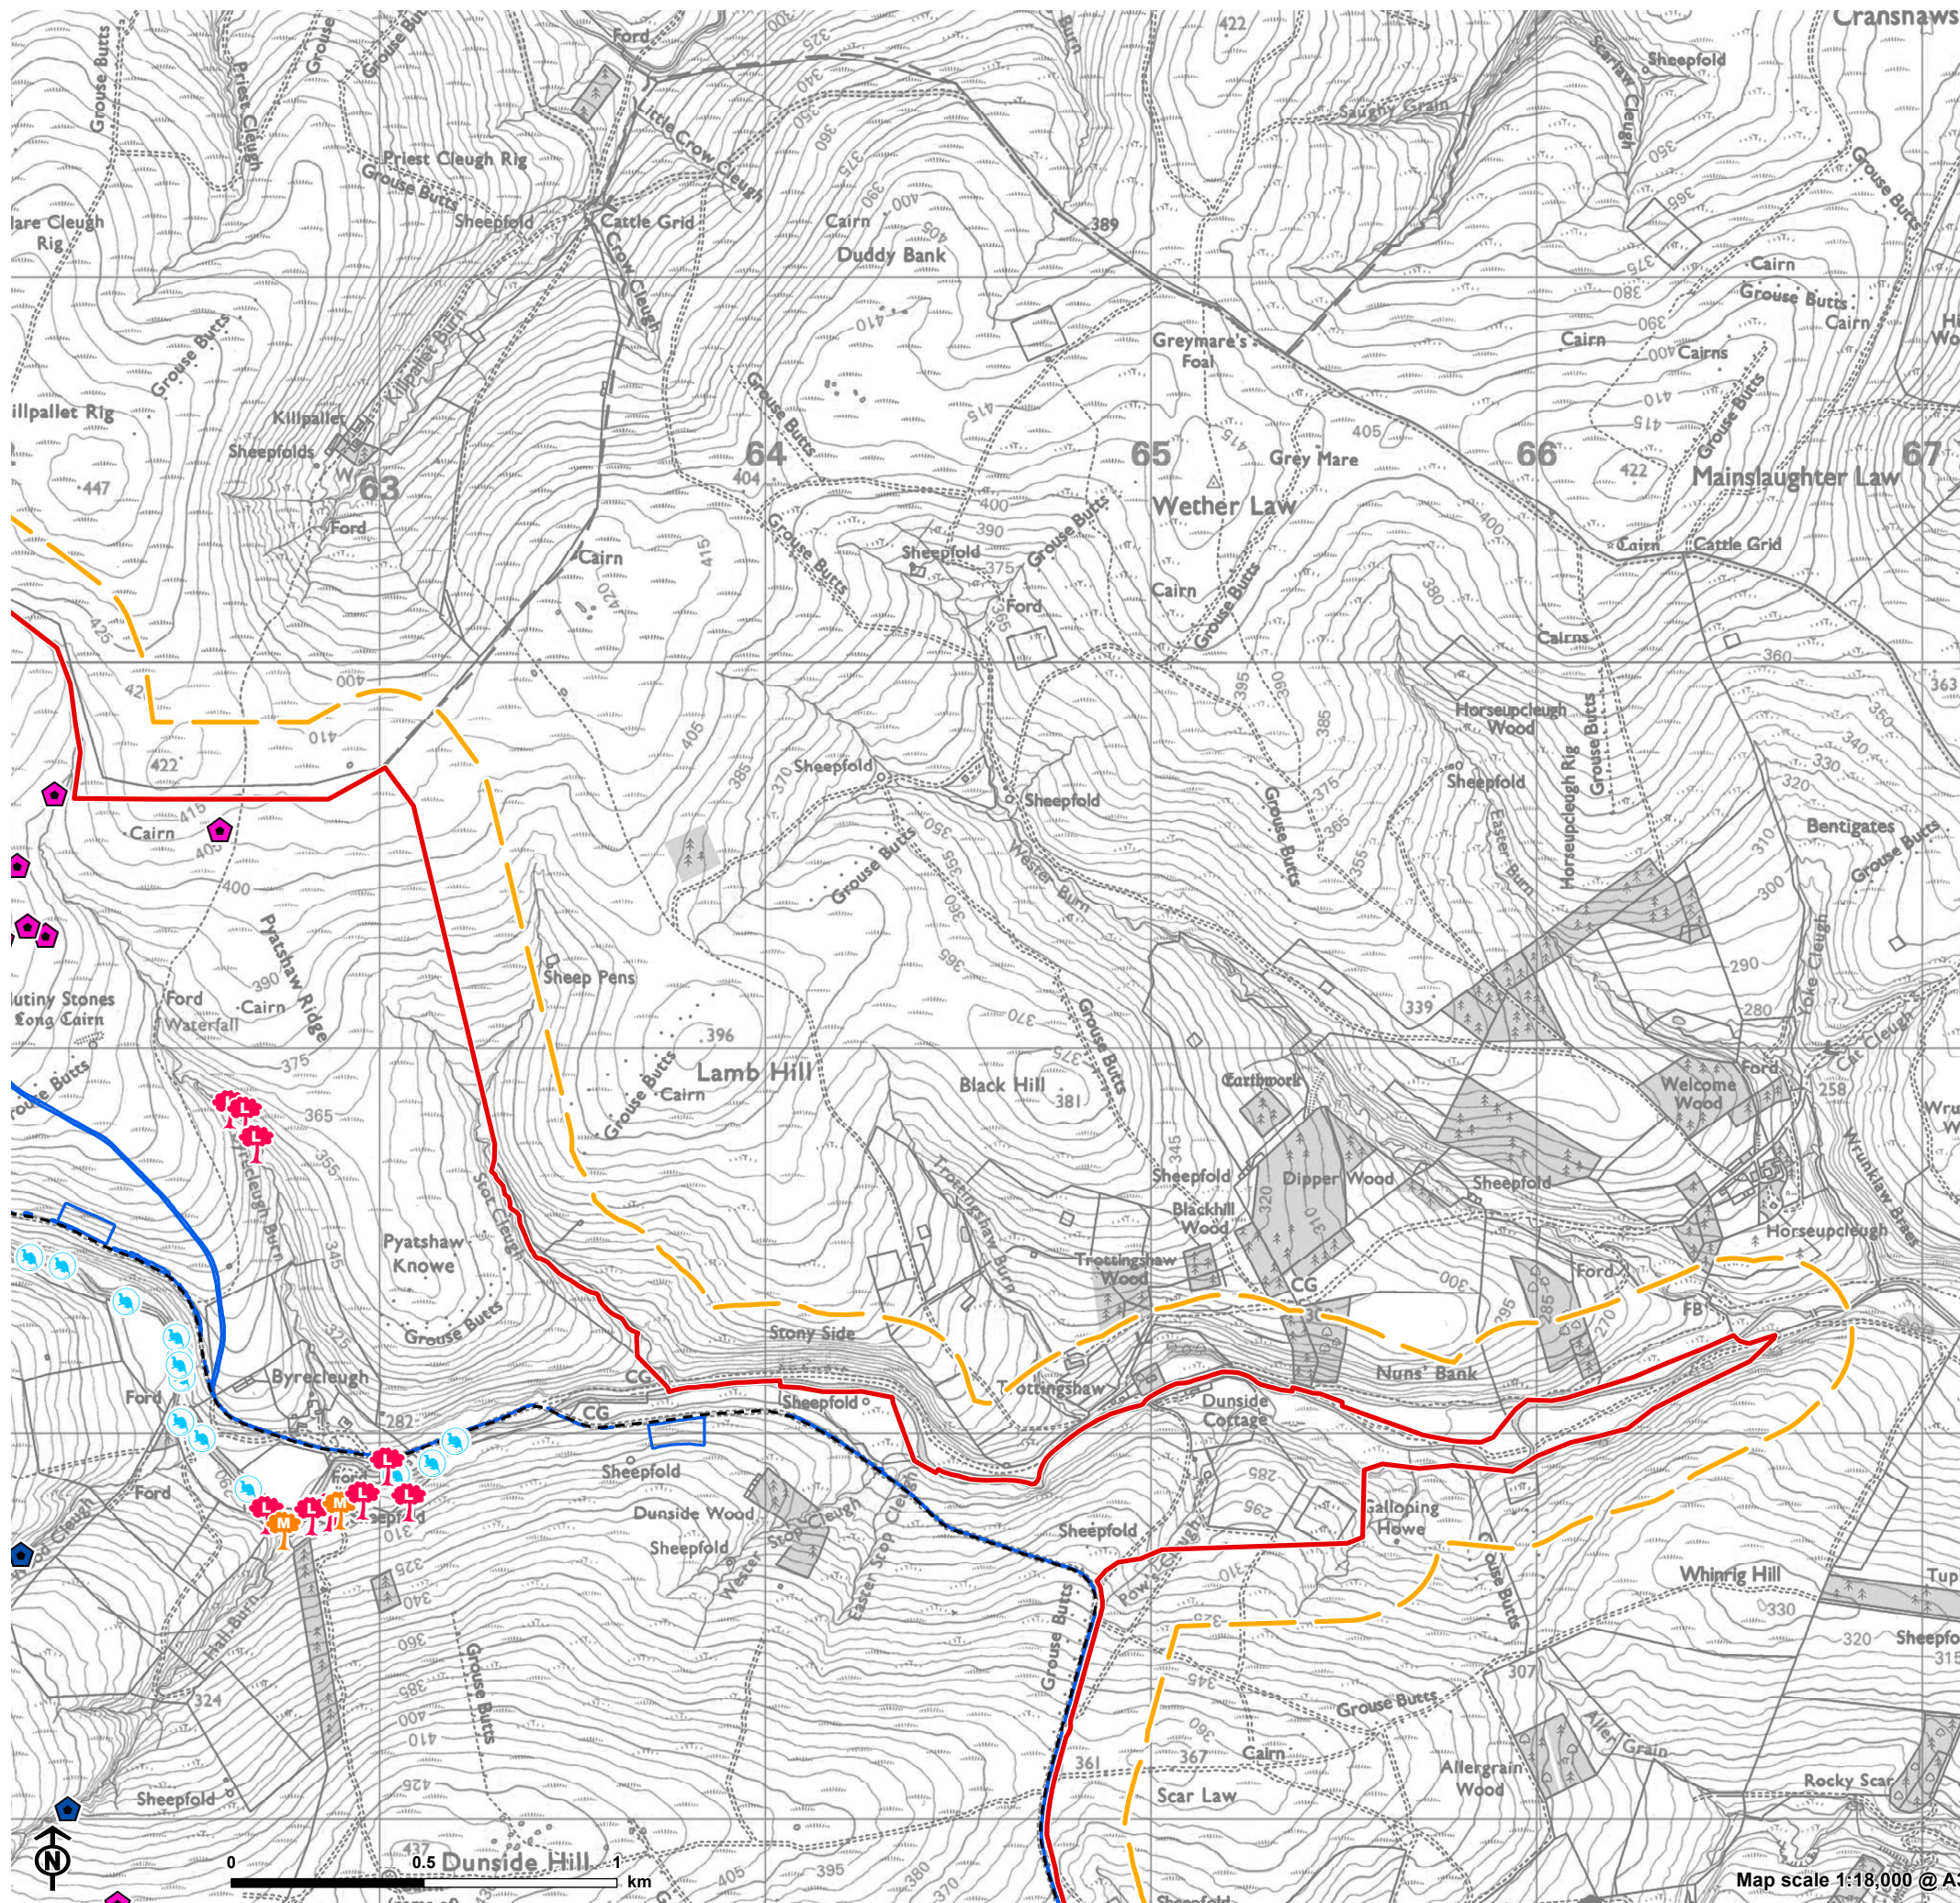

Figure 6.6b: Protected Species Plan

- Site Boundary
- Infrastructure footprint
- Existing track

- Protected species survey**
- Protected Species Field Survey Area
 - 🌳 Moderate Bat Roost Potential tree
 - 🌳 Low Bat Roost Potential tree
 - 🐇 Mountain hare
 - 🦉 Stoat
 - 🐾 Otter spraint

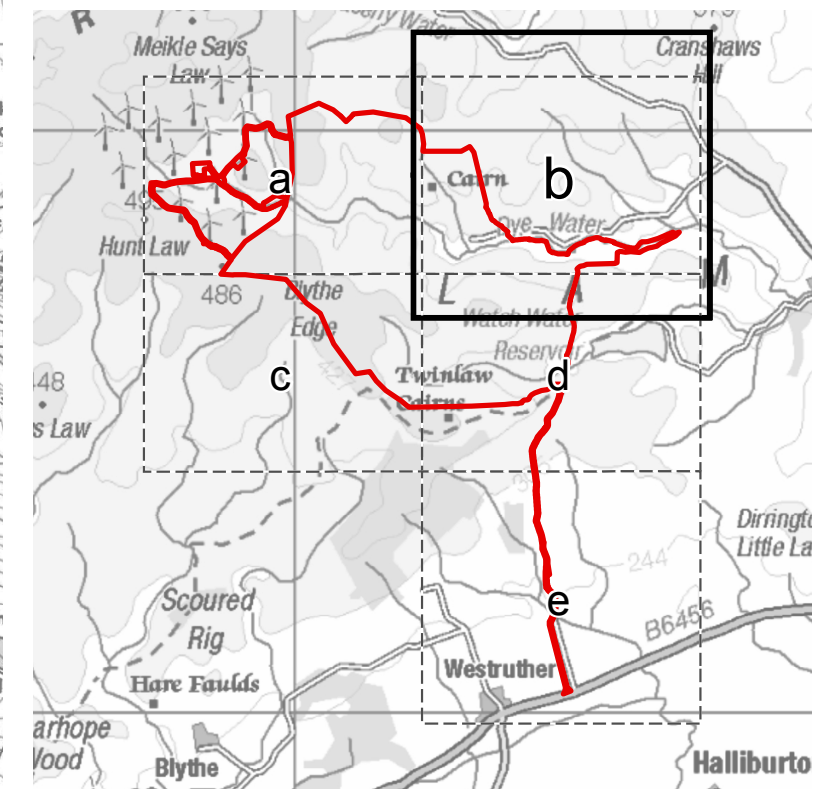

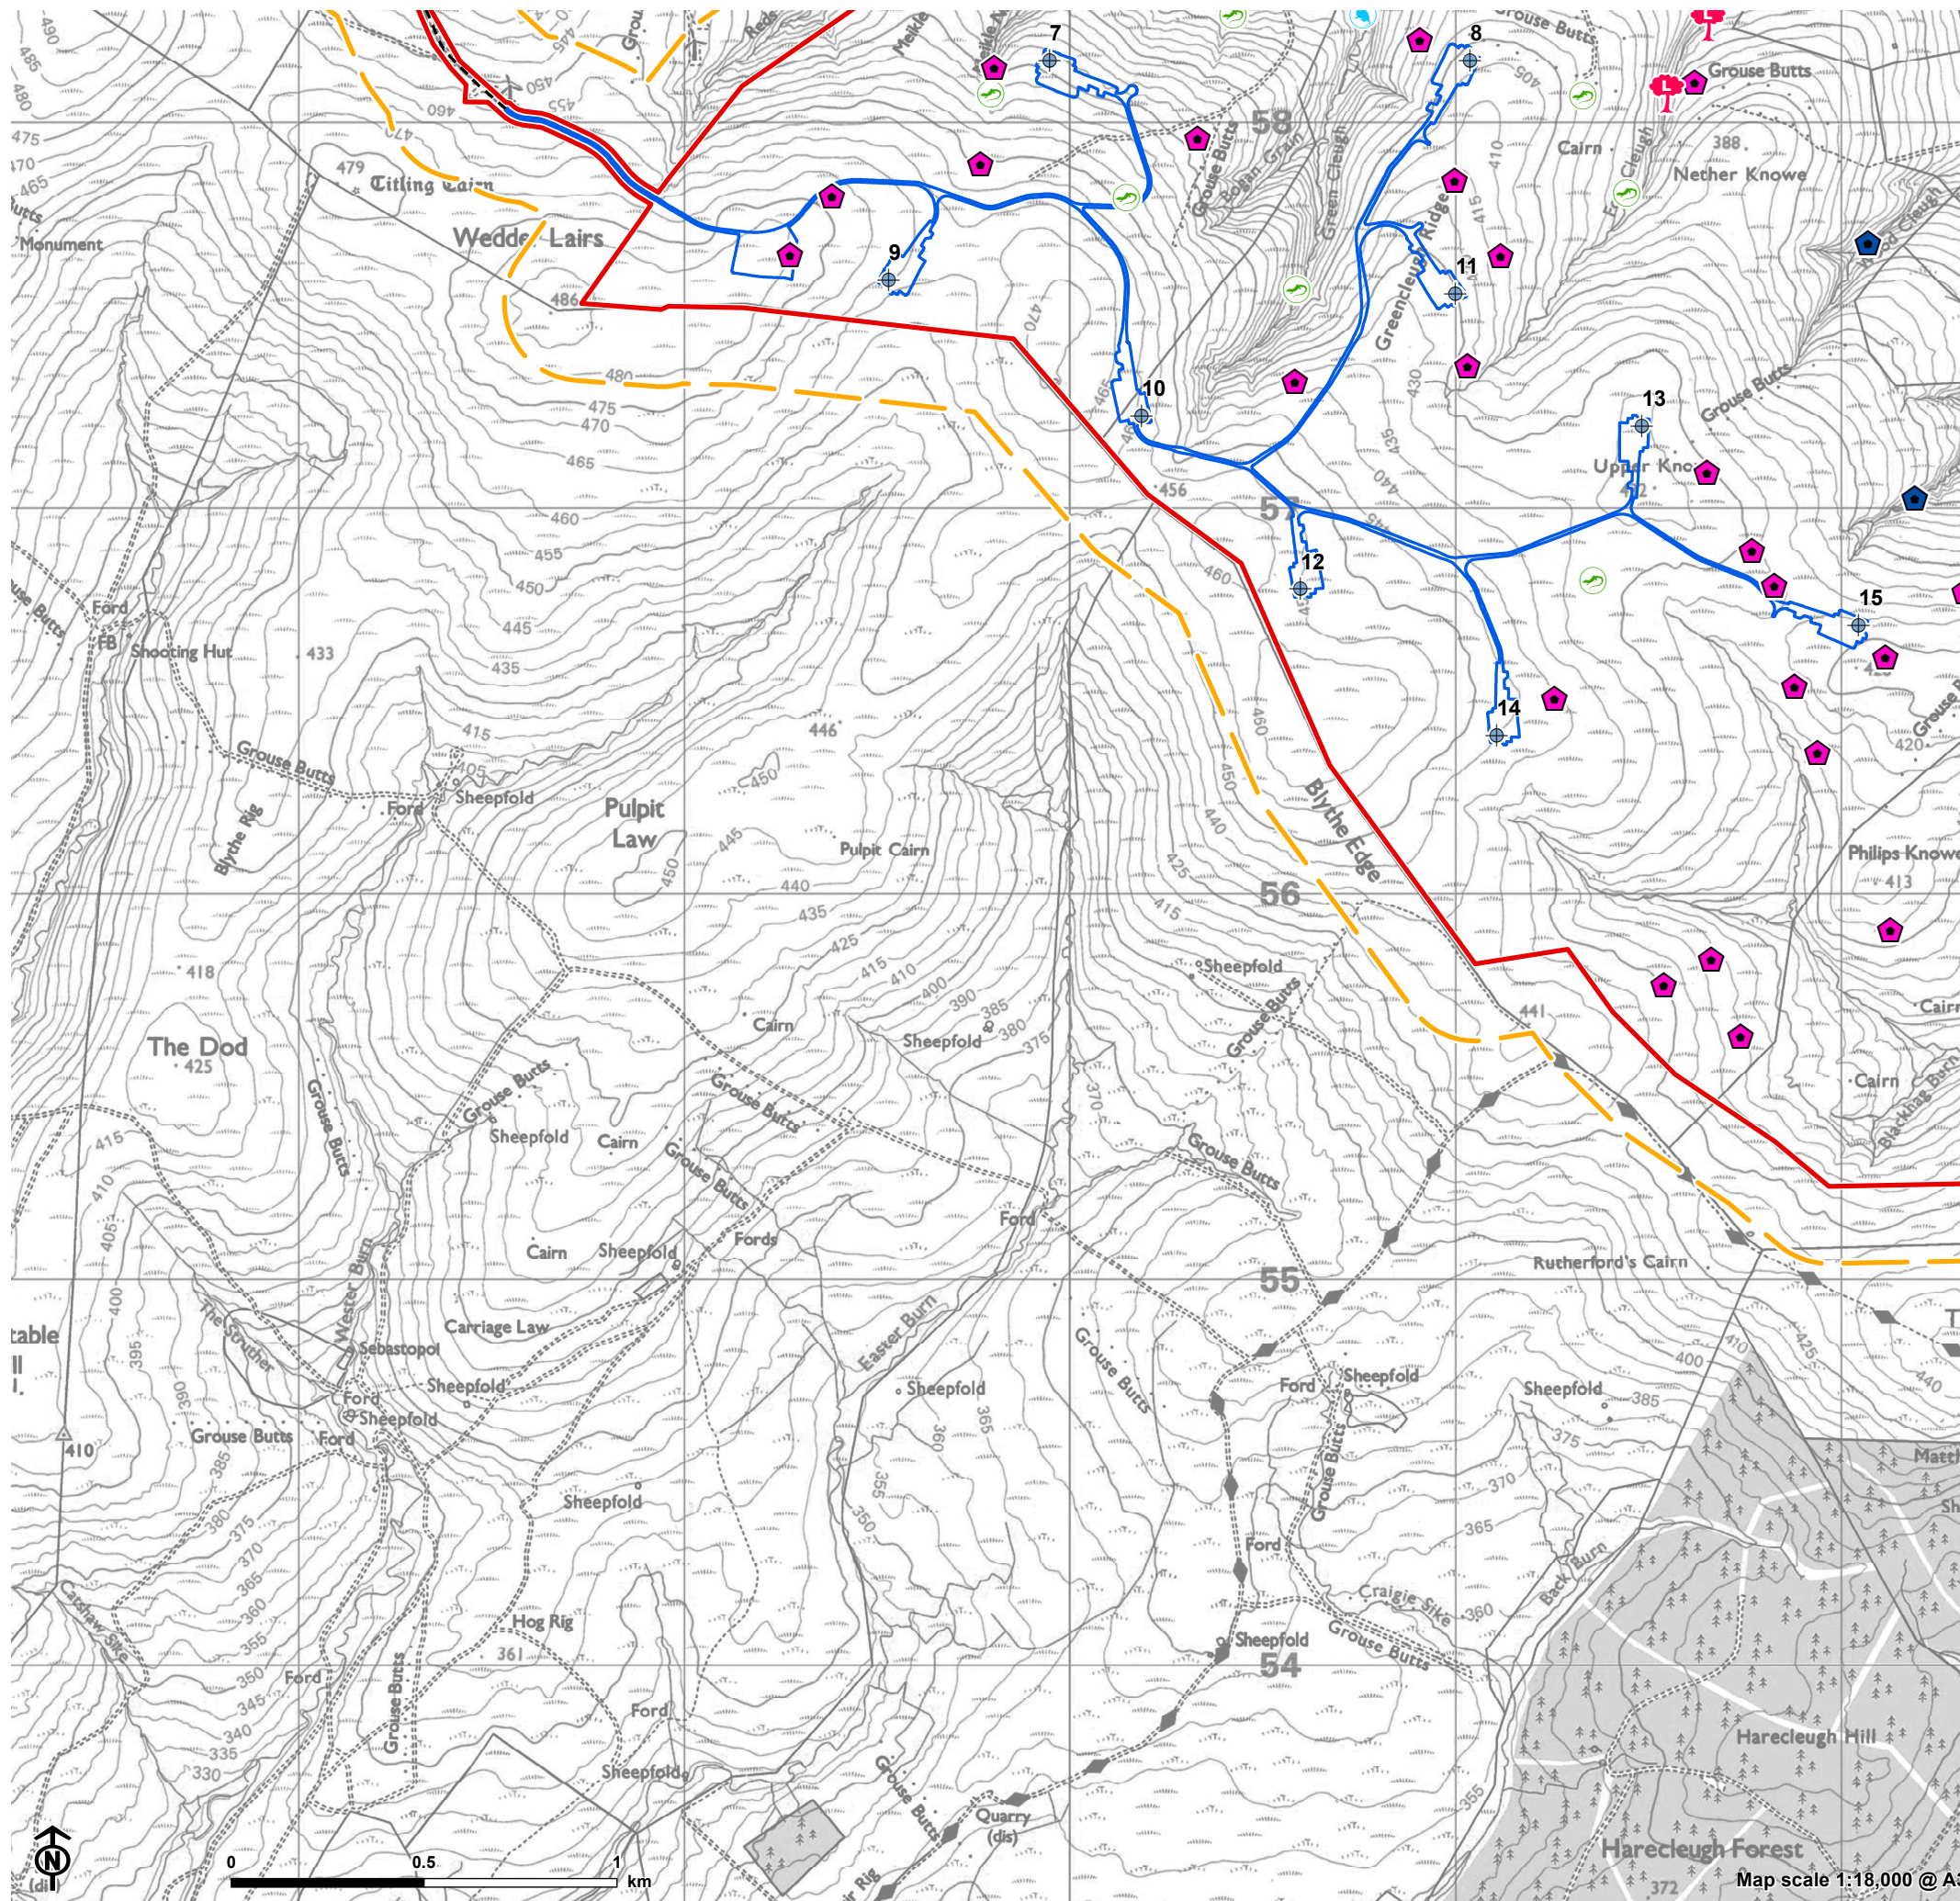

Figure 6.6c: Protected Species Plan

- Turbine
- Site Boundary
- Infrastructure footprint
- Existing track
- Protected species survey**
- Protected Species Field Survey Area
- Moderate Bat Roost Potential tree
- Low Bat Roost Potential tree
- Mountain hare
- Stoat
- Otter spraint
- Common lizard

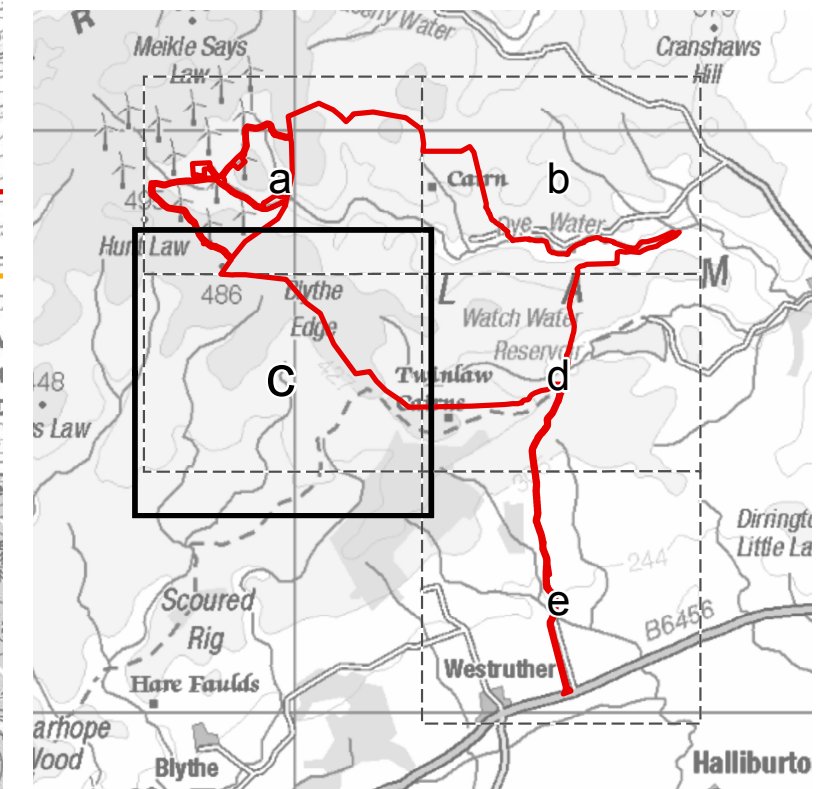

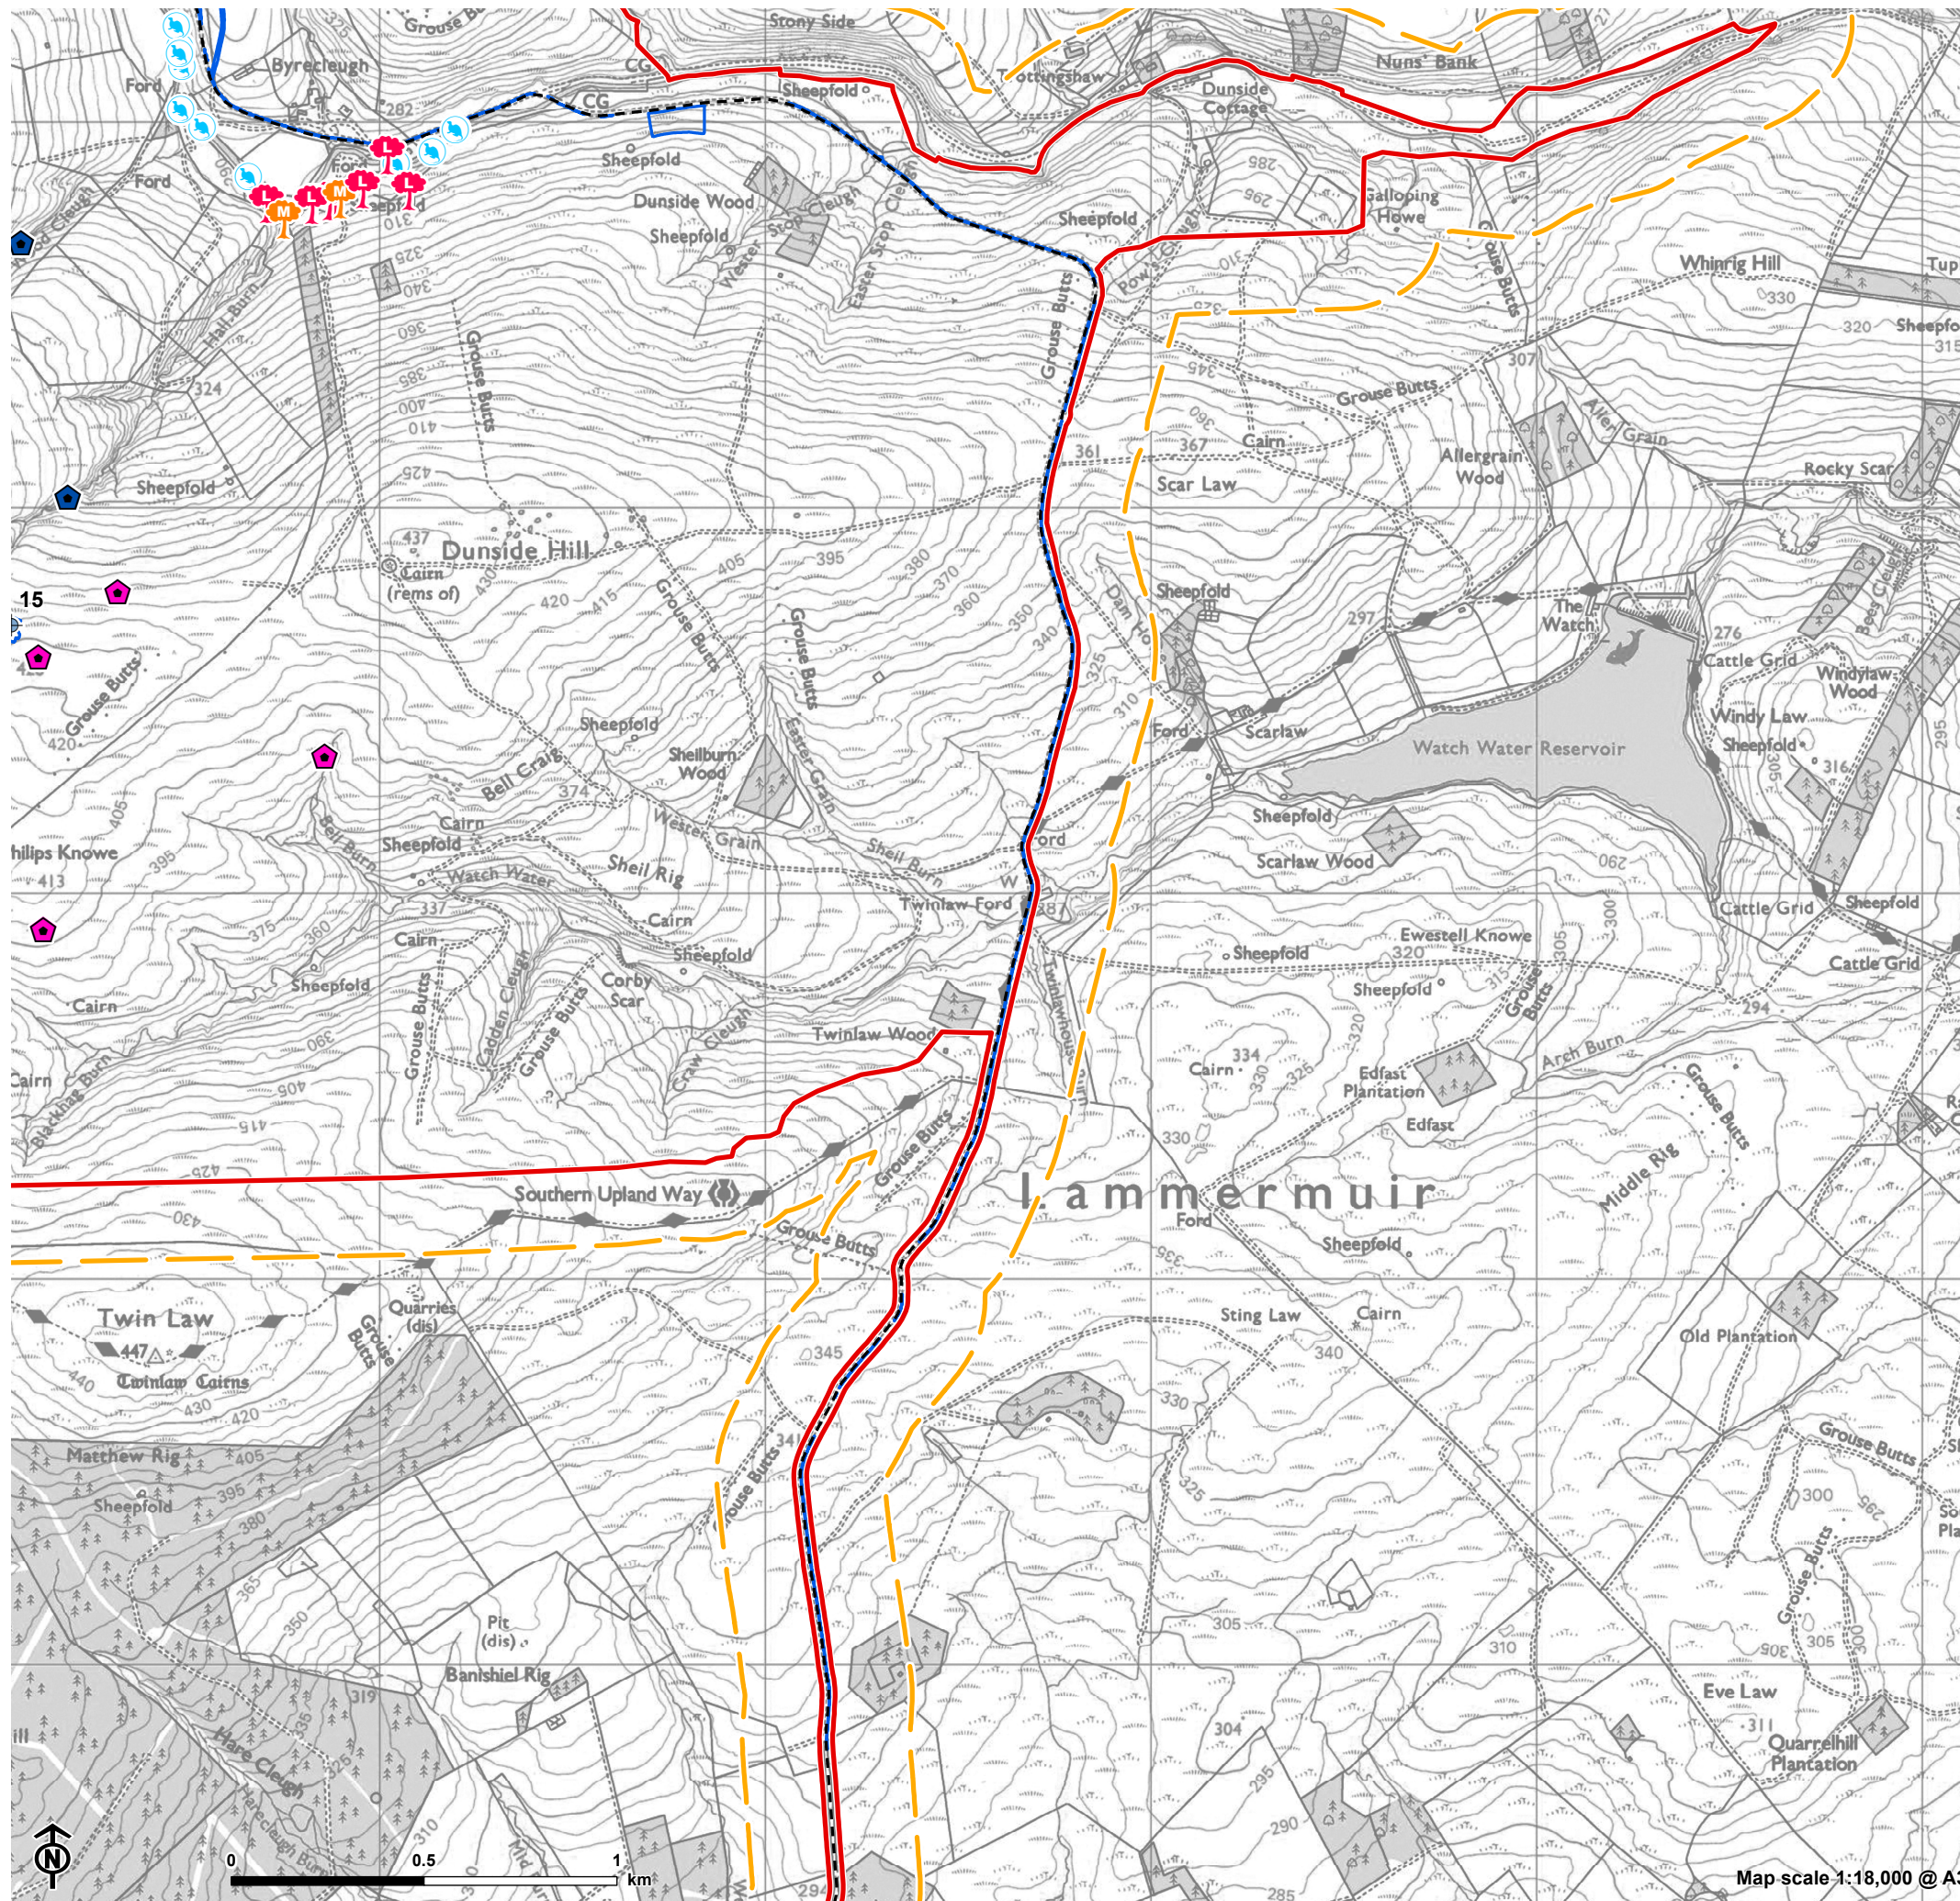

Figure 6.6d: Protected Species Plan

- Turbine
- Site Boundary
- Infrastructure footprint
- Existing track
- Protected species survey**
- Protected Species Field Survey Area
- Moderate Bat Roost Potential tree
- Low Bat Roost Potential tree
- Mountain hare
- Stoat
- Otter spraint

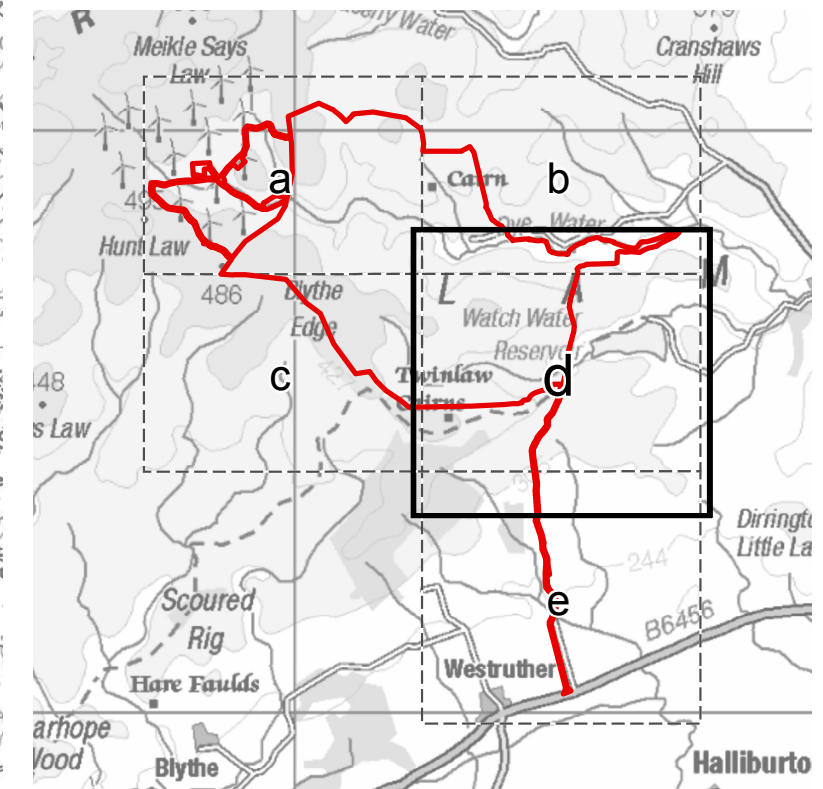

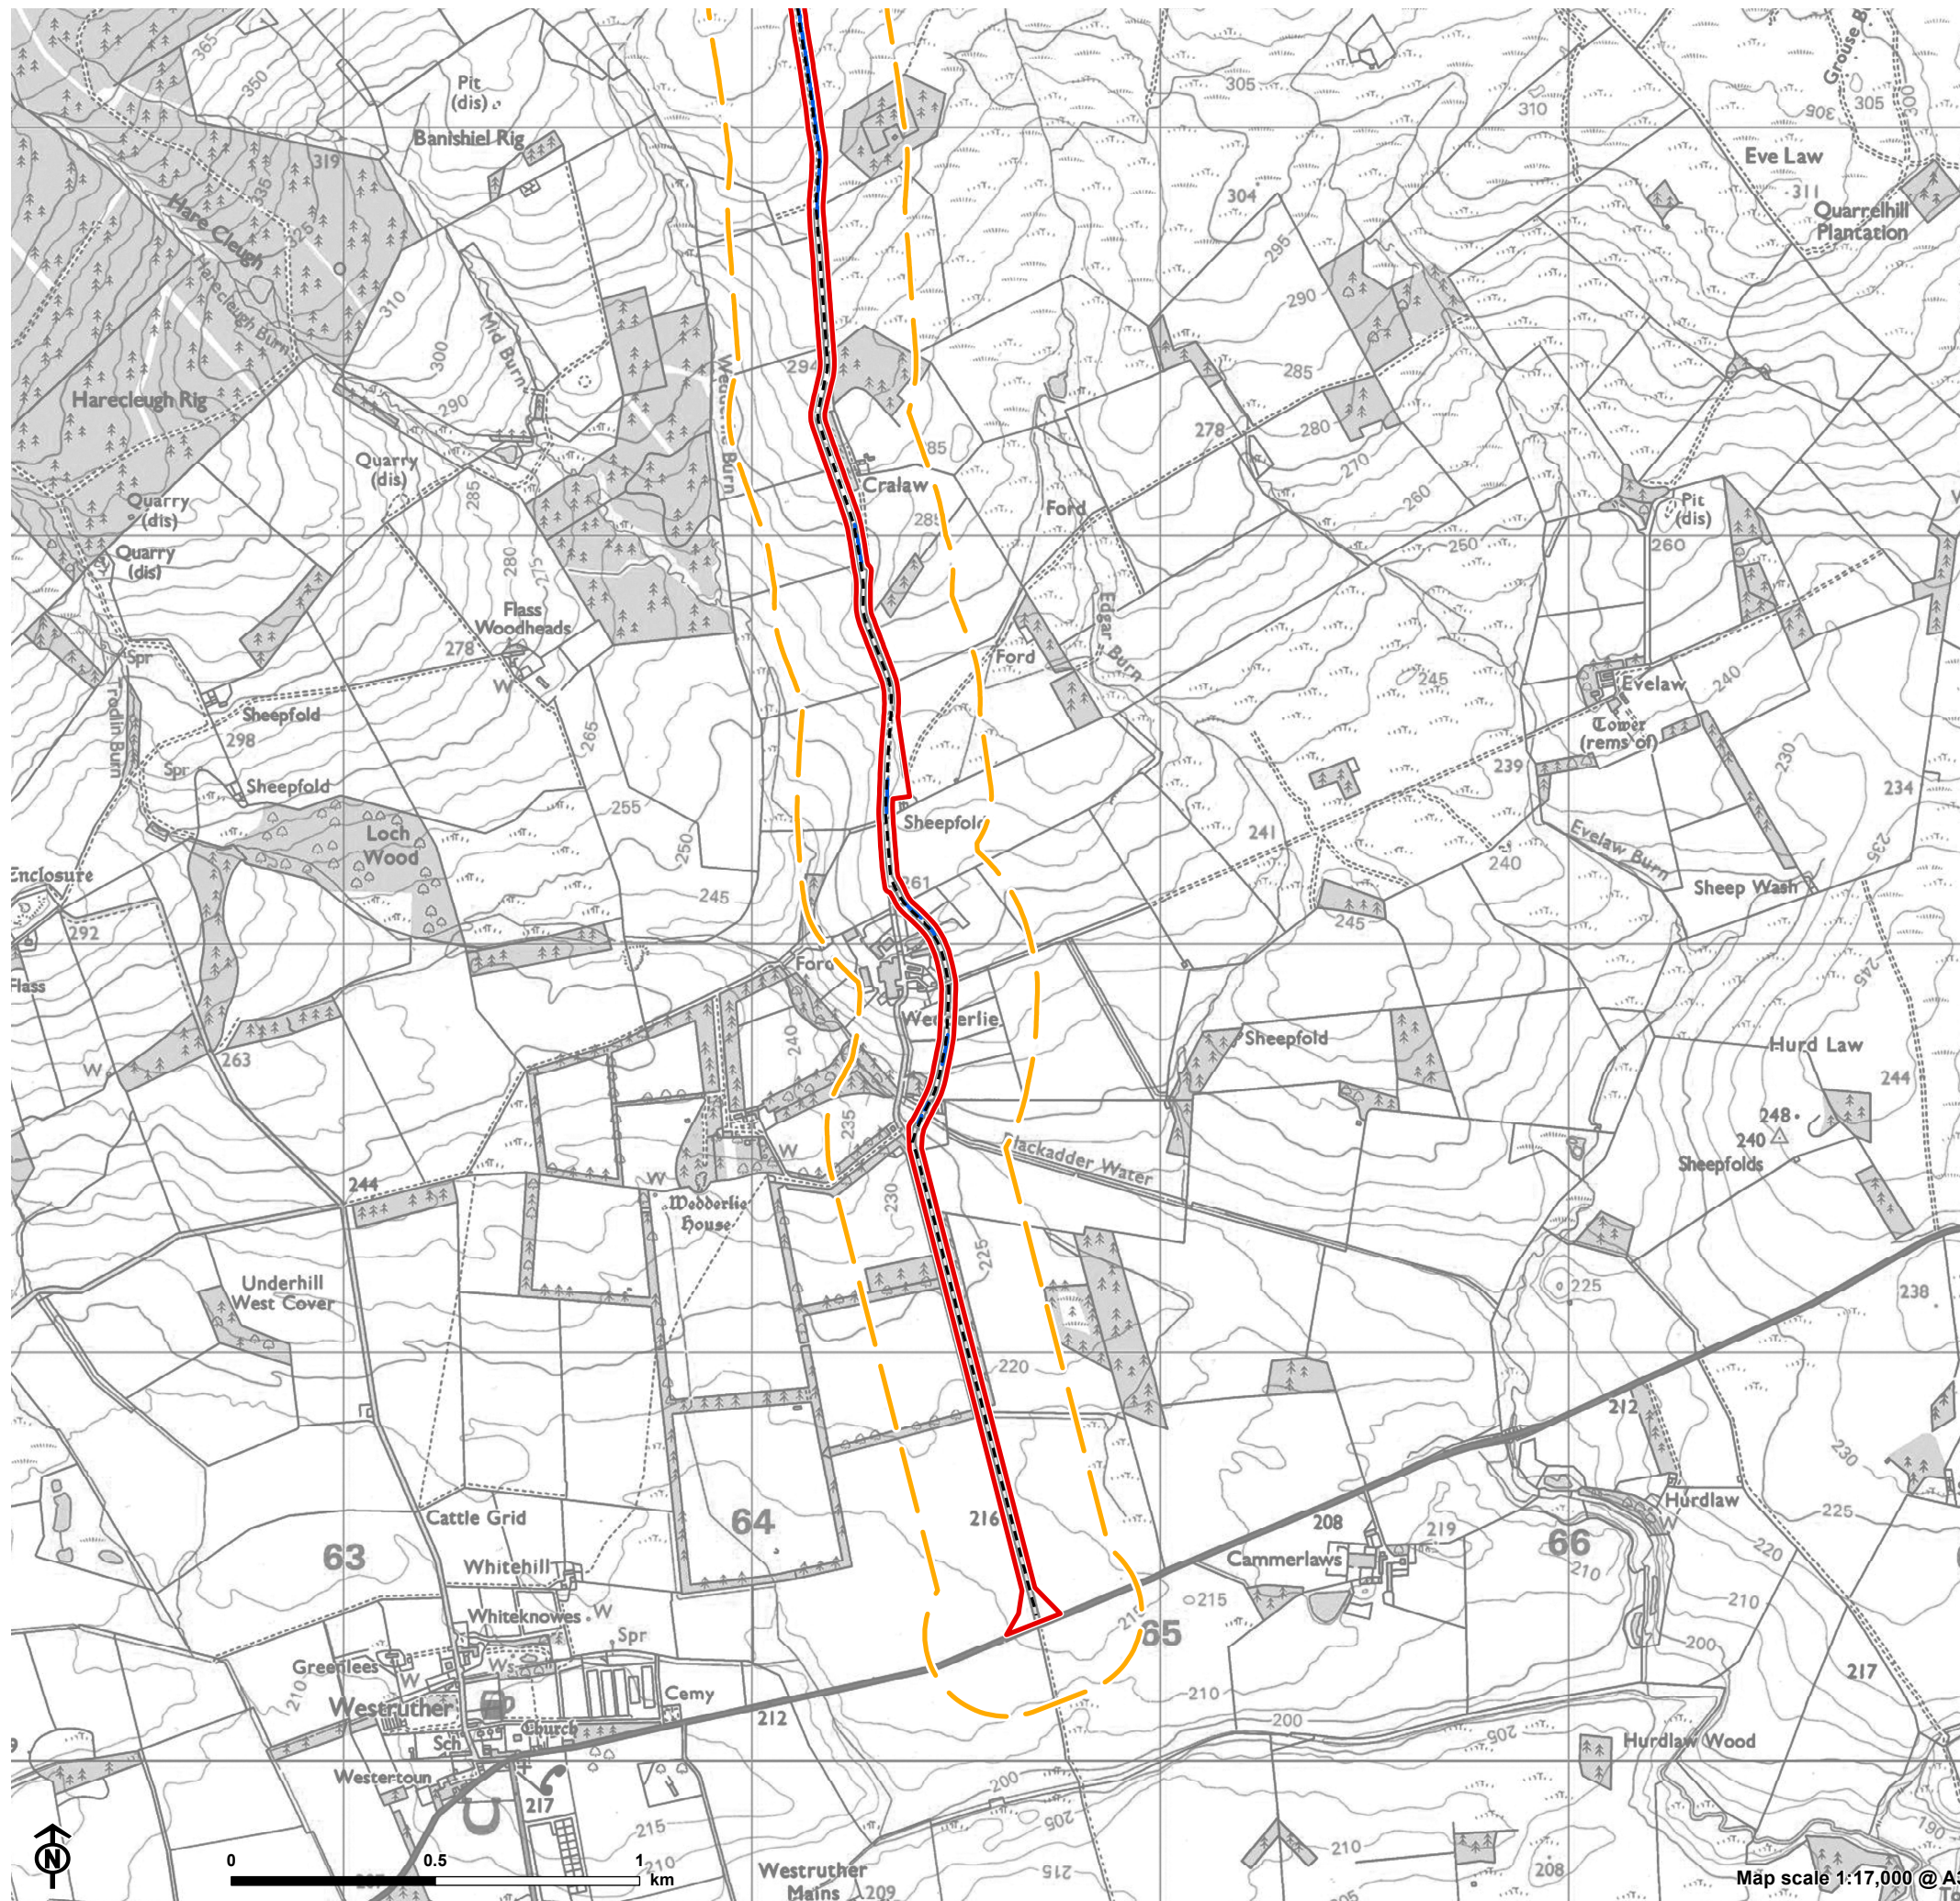

Figure 6.6e: Protected Species Plan

- Site Boundary
- Infrastructure footprint
- Existing track

- Protected species survey**
- Protected Species Field Survey Area
