

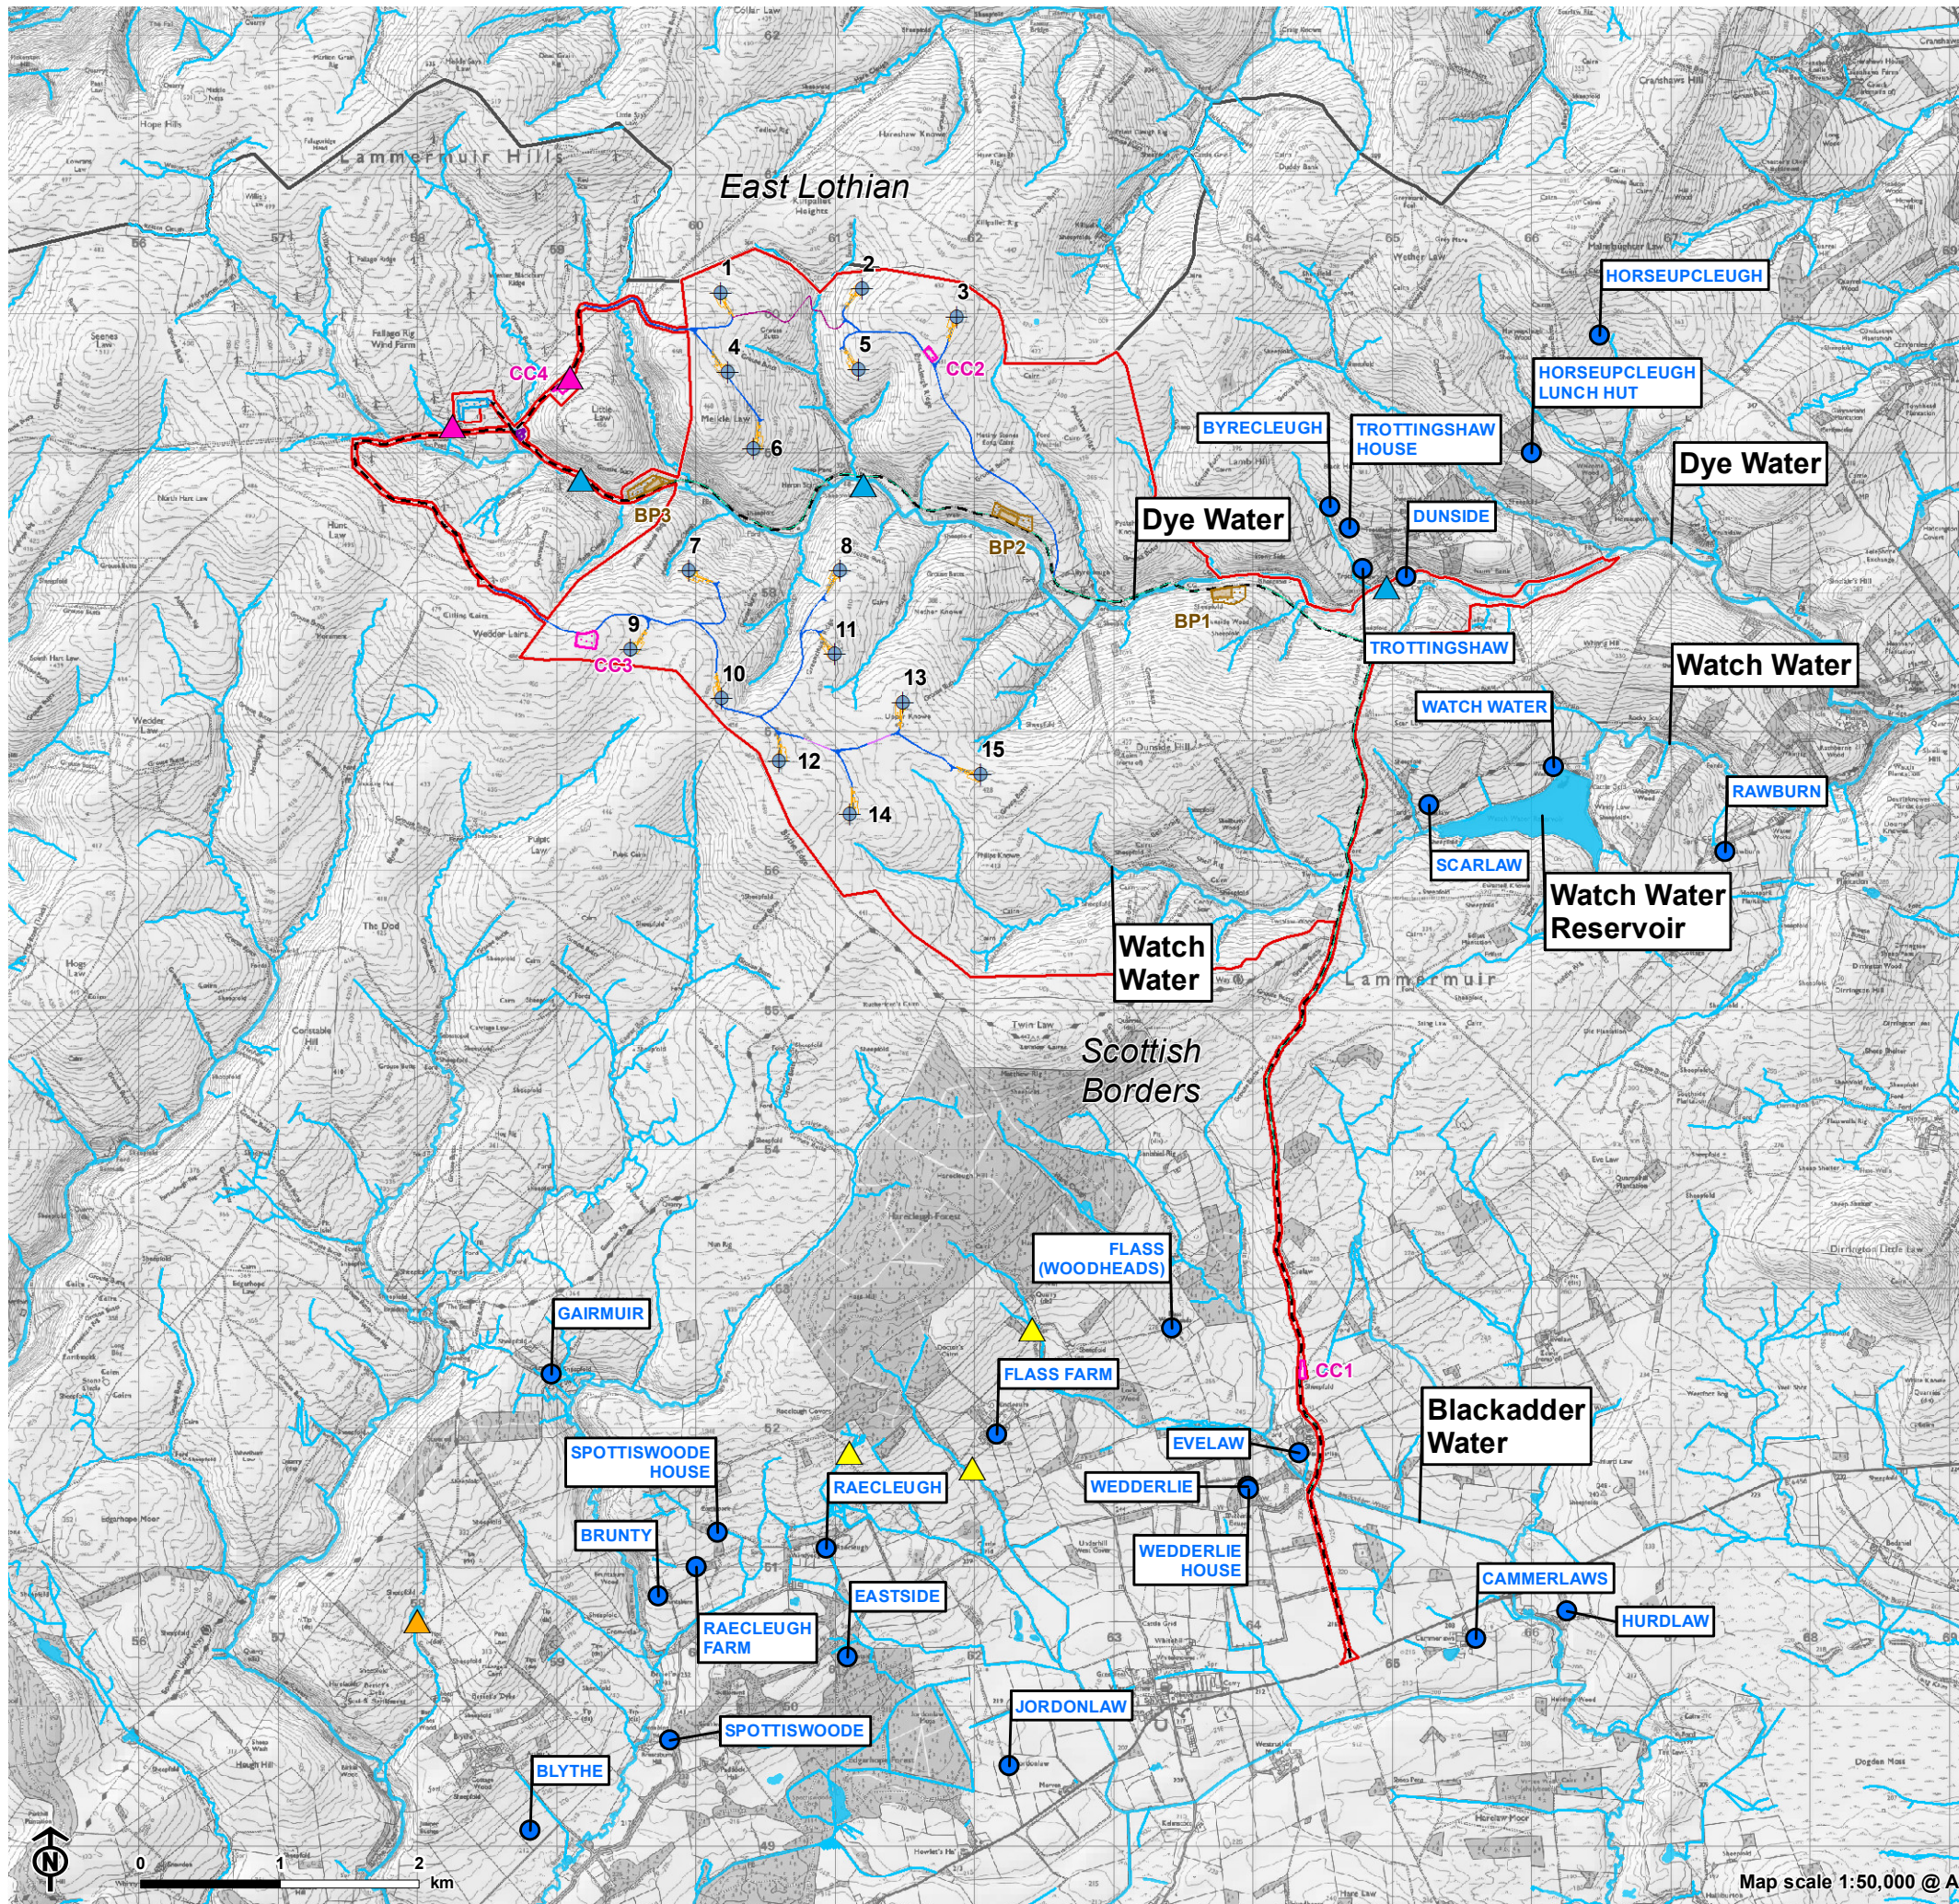

Figure 8.1: Site Location, showing Hydrological Features, Topography, Private Water Supplies and Abstractions

- Turbine
 - Site Boundary
 - Substation extension
 - Construction compound
 - Existing construction compound
 - Borrow pit
 - Borrow pit search area
 - Temporary hardstanding
 - Permanent hardstanding
 - Battery storage
 - Proposed new track (floating)
 - Proposed new track
 - Proposed light vehicle track (3m wide)
 - Proposed existing track upgrade
 - Existing track
- Hydrological Features**
- PWS source
- Abstraction Data from SEPA**
- Reservoir
 - Surface water
 - Groundwater
 - Spring
 - Watercourses and surface water
 - Local Authority boundary
